Connie Conway Endorses Pete Vander Poel

TULARE—Pete Vander Poel, candidate for Tulare County Supervisor District 2, announced that he received the endorsement of current District 2 Supervisor Connie Conway at a fund-raiser this past Saturday night at the home of Scot and Sue Ann Hillman.

“I am very happy to endorse Pete Vander Poel to take my place as the representative for District Two. Pete is extremely bright and articulate. I’ve known him for many years, but since he started this campaign he’s proven to me that he is ready and has what it takes to be effective on the Board of Supervisors. Pete has earned my endorsement. Is his age an issue? No, Pete is mature beyond his years and he brings amazing energy and problem-solving skills to the table,” said Connie Conway, candidate for the 34th Assembly District and current Tulare County Supervisor in District 2.

“Of all the endorsements I have received during this campaign, Connie’s may mean the most to me. Connie Conway is an amazing public servant who works 24/7 for the people of district two and Tulare County. I am humbled and honored by Connie’s words and I will do everything in my power to live up to her trust and to fill her shoes on the Board of Supervisors,” said Pete Vander Poel, candidate for Tulare County Supervisor District 2.
